Items for Discussion	Action
Safeguarding: No issues raised	
<p><u>Matters arising from previous meeting:</u></p> <p>Promoting the club and future events: No actions at present</p> <p>Email Communication- We are now ready to import email addresses from BC to mailchimp</p> <p>Website - after discussion it was agreed that we don't need a calendar on the website for club rides and that we will remove the names of leaders as they are not up to date.</p> <p>Club Kit update-we have a good amount of kit in stock at Albion, bar a few popular sized items which have sold out. We need to have a list of what stock is available in the shop. Darren has some cash from sales so David A to collect for banking. Need to check if Natalie has any cash in hand. Re a new supplier as Force GB can't supply what we need and we need skin suits for kids. Stimulus has been identified as good quality and their minimum order is low on items, plus they will open a club shop for us, on their website. They will do the fluorescent jackets too. Their rep will come to our next meeting with samples. We will supply our kit design to them. Peter has this.</p> <p>Positions still vacant are: Social Media Rep, Youth Rep. Further promotion is required.</p> <p>BC membership V Cycling UK -Richard Parry has looked into this but we will need a detailed report for the next meeting which can be discussed and then taken to AGM (in February) so need to get all the facts on the table in advance together with greater discussion so we can put options to members. We will still be able to use the BC club management tool for members to join. Insurance is a key issue in the current climate and we have lost potential</p>	<p>NM</p> <p>DC</p> <p>DA</p> <p>AJH</p> <p>PR</p> <p>RP</p>

<p>members who don't want to belong to BC. All racers / competitors will need to belong to BC however.</p> <p>HCC bikes and bits is now know on FB as Holmfirth bike and bits, therefore not club run.</p> <p>Christmas social Ride will take place on Sunday 18th December, ending up at Thongsbridge Tennis Club (12 noon / 12.30 ish onwards) for pie and peas. Veg & kiddies options will be available and the club will subsidise costs. Agreed to charge £6 per adult (children less) via Eventbrite in order to ascertain numbers as we will be charged for whatever we order. Tracey will create the event and confirm numbers with the tennis club.</p>	<p>Info</p> <p>TC</p>
<p>Club Runs update: Strong interest in the club at present, with new members joining C/D rides and pushing up the pace. A / B groups are growing in numbers too. Need to keep to group boundaries for planned distances as on website.</p>	<p>Info</p>
<p>Coaching Update : Numbers up and down. Still short of coaches. Difficulties with older groups of riders who want to ride faster than the core group!</p>	<p>Info</p>
<p>Treasurers report: David apologised for lack of report at last meeting. Currently £16,775.85p in bank and some monies in hand, plus some expected from sales of club kit, coaching and chip butty run!</p>	<p>Info</p>
<p>AOB: Club Affiliation to BC is now open. Tracey to look at doing the affiliation. Cycling UK affiliation needs to be checked by DavidA. Holmfirth free bike repair station-is now available next to the bus station toilets. Need a photo of members in kit using it which may help promote the facility. Cycling Time trials AGM 2022- we will not be sending a representative. Dave C will promote various time trials to members through FB Interest in Ride London as a club- Tracey to investigate. Note sadly the club has been informed of the recent deaths of previous members Bob Stevenson and Louise Cooper.</p>	<p>TC DA CM DA TC Info</p>
